

A Palm Conversation About Worship

john l. ng

Quips & Quotes

Worship is the dramatic celebration of God in his supreme worth in such a manner that his worthiness is the norm and inspiration for human living.

Ralph Martin

Worship is our planned . . . strategy by which we interrupt our preoccupation with ourselves and attend to the presence of God.

Eugene Peterson

Worship is primarily talking to God about God - in rituals, in prayers, in music, in word.

John L. Ng

Worship is reforming ourselves in carefully formed responses to God in dignity and reverence

Robert Webber
