

Evangelical Missiological Society Northeast Regional Conference - Registration

Registration includes lunch and coffee breaks. It is possible to register for the conference and pay for one's annual EMS membership at the same time at a special saving over paying for each separately. EMS annual membership fees are normally \$30. Your membership helps strengthen the discipline of missiology and also provides you with the annual EMS Volume published by William Carey Library. If you do not wish to join the membership, simply sign up for the "Conference registration only."

Please print out this page, fill in the appropriate sections, and send it along with an enclosed check for the appropriate amount:

Payable to: First Baptist Church of Flushing
Memo: EMS – Northeast Region
